

Dear Foreign Guest Official,

Thank you for your interest in officiating with USA Volleyball. Please follow the steps below to meet all safety requirements for officiating. If you have any questions or issues, please contact us at officials@usav.org. We appreciate your support of USA Volleyball.

IF YOU OFFICIATED WITH USA VOLLEYBALL LAST SEASON:

1 -- Fill out, sign and return the Foreign Participant Form (Form #1) and Acknowledgement & Authorization (Form #3) and email it to officials@usav.org. DO NOT COMPLETE THIS REGISTRATION OR SUBMIT ANY PAYMENT. You have already paid for your background screening last season.

2 -- Login to your account. Check that you have a current background screening and a current SafeSport certification. If you do not see both certifications, you will need to follow the steps 3 AND 4 below. Please email officials@usav.org for assistance or if you have any questions.

To Complete Your Forms:

https://webpoint.usavolleyball.org/wp15/Events2/Registrations/Register.wp?rgs_EventID=12838

IF YOU DID NOT OFFICIATE WITH USA VOLLEYBALL LAST SEASON:

1 -- Fill out, sign and return the Foreign Participant Form, Acknowledgement & Authorization Form and the Background Screen (BGS) consent form to officials@usav.org. Until you submit your BGS form, it will not be processed. To be on the safe side, please allow up to 3 weeks for your background screen.

If you are from Puerto Rico or Canada, you must complete form #1, and then #2 or #3 below.

- *Canadian Screenings will require a copy of the applicant's passport*

Contact officials@usav.org to get the correct forms and arrange payment or if you have any questions.

2 -- Hit the blue "participant registration" button at the bottom of this page. This will register you as a guest official and allow you to pay for your background screening.

3 -- Take the SafeSport training - Instructions are at <https://www.teamusa.org/usa-volleyball/about-us/safesport/safesport-training>. This will take ~90 minutes to complete and can be started right away. You'll get more detailed instructions after you complete this registration.

4 -- Check your account for your background screening result and SafeSport certification. This can be done by going to Member Profile on the left hand menu. Once you see the word "Current" for both SafeSport and Background Screening under "Status" in the Current Certifications/BG Screening section, you are eligible to officiate at USA Volleyball events.
